Dear Friends:

Thank you for your most generous gift of \$1,000.00. Last night HomeFront provided safe, secure shelter for 401 people, most of them children, and a myriad of programs to nurture their overall well-being. We could not have done that without your donation.

Our Family Preservation Center is in the midst of joyous preparations for a celebration marking the 5th year of its inception. It is a vibrant, nurturing village that has served over 700 families thanks to people like you.

The success HomeFront has had over the last seventeen years in giving literally thousands of homeless families a life of dignity and achievement has been possible only with the support of our community. We thank you for standing with us in this effort.

I wanted to take the time to tell you how much it means to us to have you as part of the HomeFront family.

Sincerely,

Connie Mercer
Executive Director
